

LABOR'S AMBITION FOR CANBERRA

GROWING OUR CBD

An architectural rendering of a new aquatic centre in Commonwealth Park. The scene is overlaid with a semi-transparent red filter. In the foreground, several people are relaxing on lounge chairs under large patio umbrellas. In the background, a modern building with large glass windows and a curved roofline is visible, surrounded by lush green trees. The overall atmosphere is one of a modern, outdoor recreational space.

A new aquatic centre

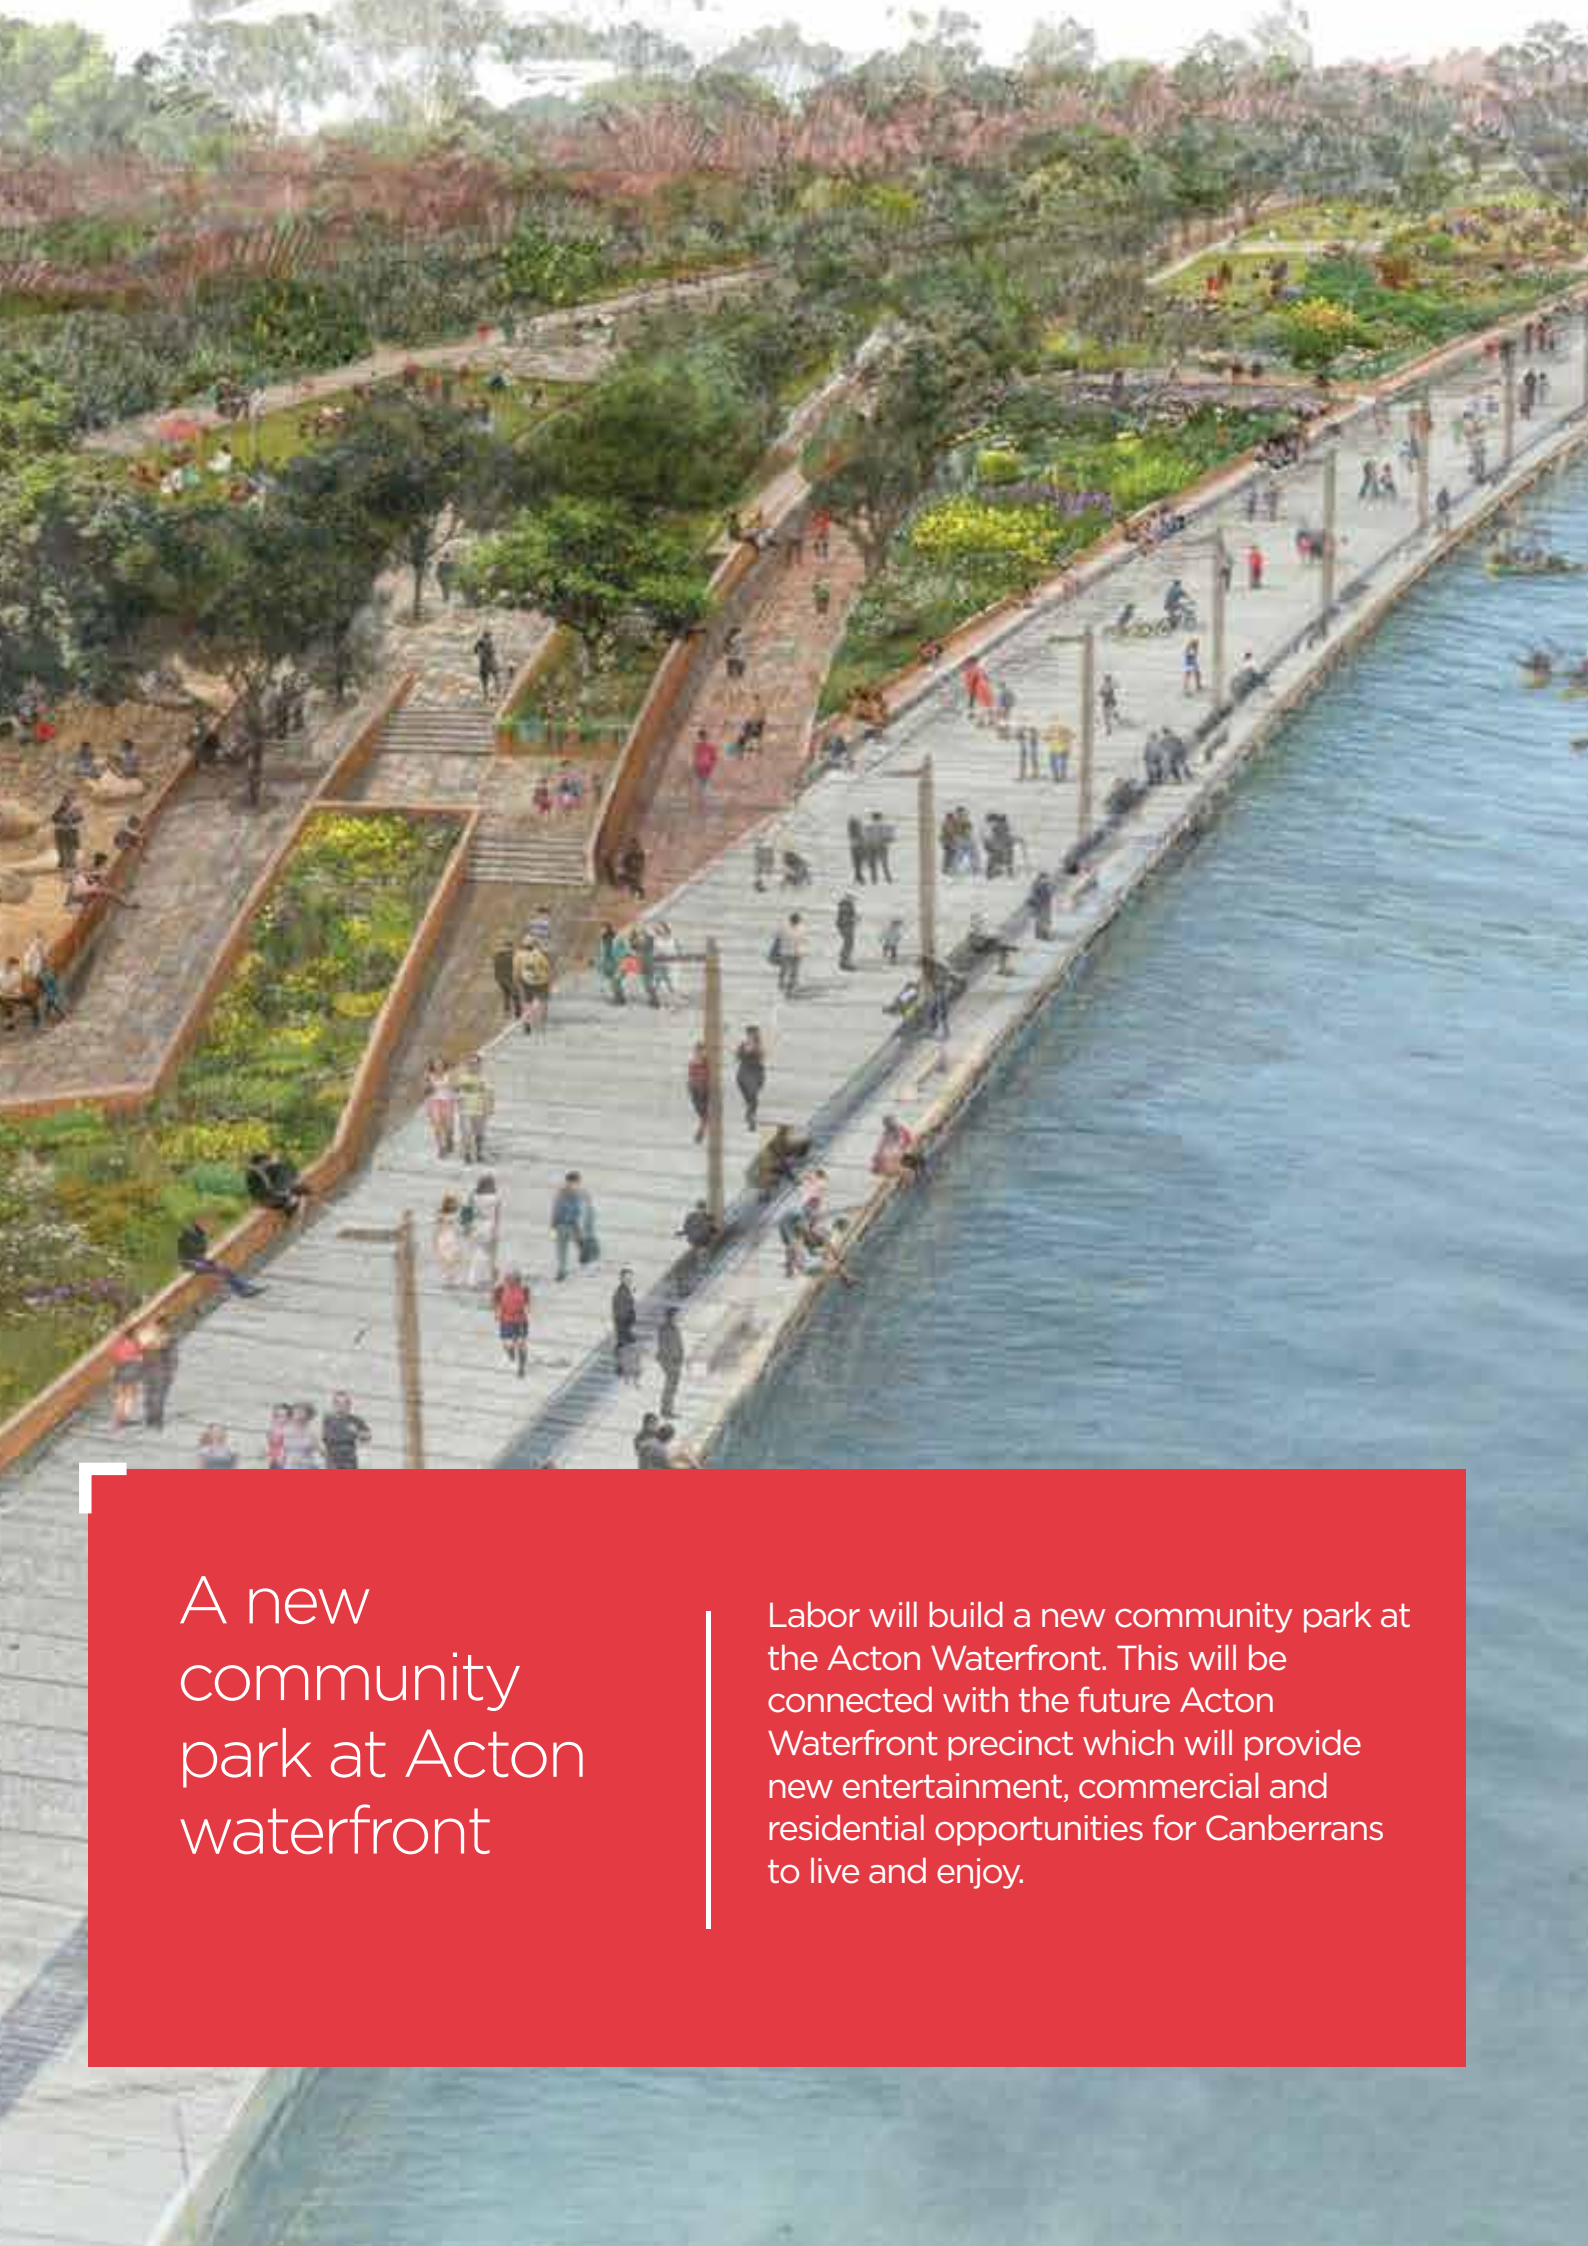

Labor will build a new pool and aquatic centre in Commonwealth Park. We have already secured support from the National Capital Authority for this project, with construction to start in the next term.

An aerial photograph of a new community park at the Acton waterfront. The park features a wide, paved promenade with a central green space and a large, curved concrete structure. Numerous people are walking and sitting on the promenade. The background shows a dense forest of trees. The entire image is overlaid with a semi-transparent red filter.

03

A new community park at Acton waterfront

Labor will build a new community park at the Acton Waterfront. This will be connected with the future Acton Waterfront precinct which will provide new entertainment, commercial and residential opportunities for Canberrans to live and enjoy.

An aerial photograph of a light rail train traveling along a curved track. The entire image is covered with a semi-transparent red filter. The train is positioned in the lower half of the frame, moving towards the right. The track curves from the bottom left towards the center. To the right of the track, there is a landscaped area with several trees. In the background, various urban buildings and structures are visible under a clear sky.

「Light rail to Commonwealth Park

04

Light rail to Commonwealth Park

The next stage of light rail will begin construction next term following the completion of raising London Circuit. It will connect the network to the southern end of the city, ANU and Commonwealth Park.

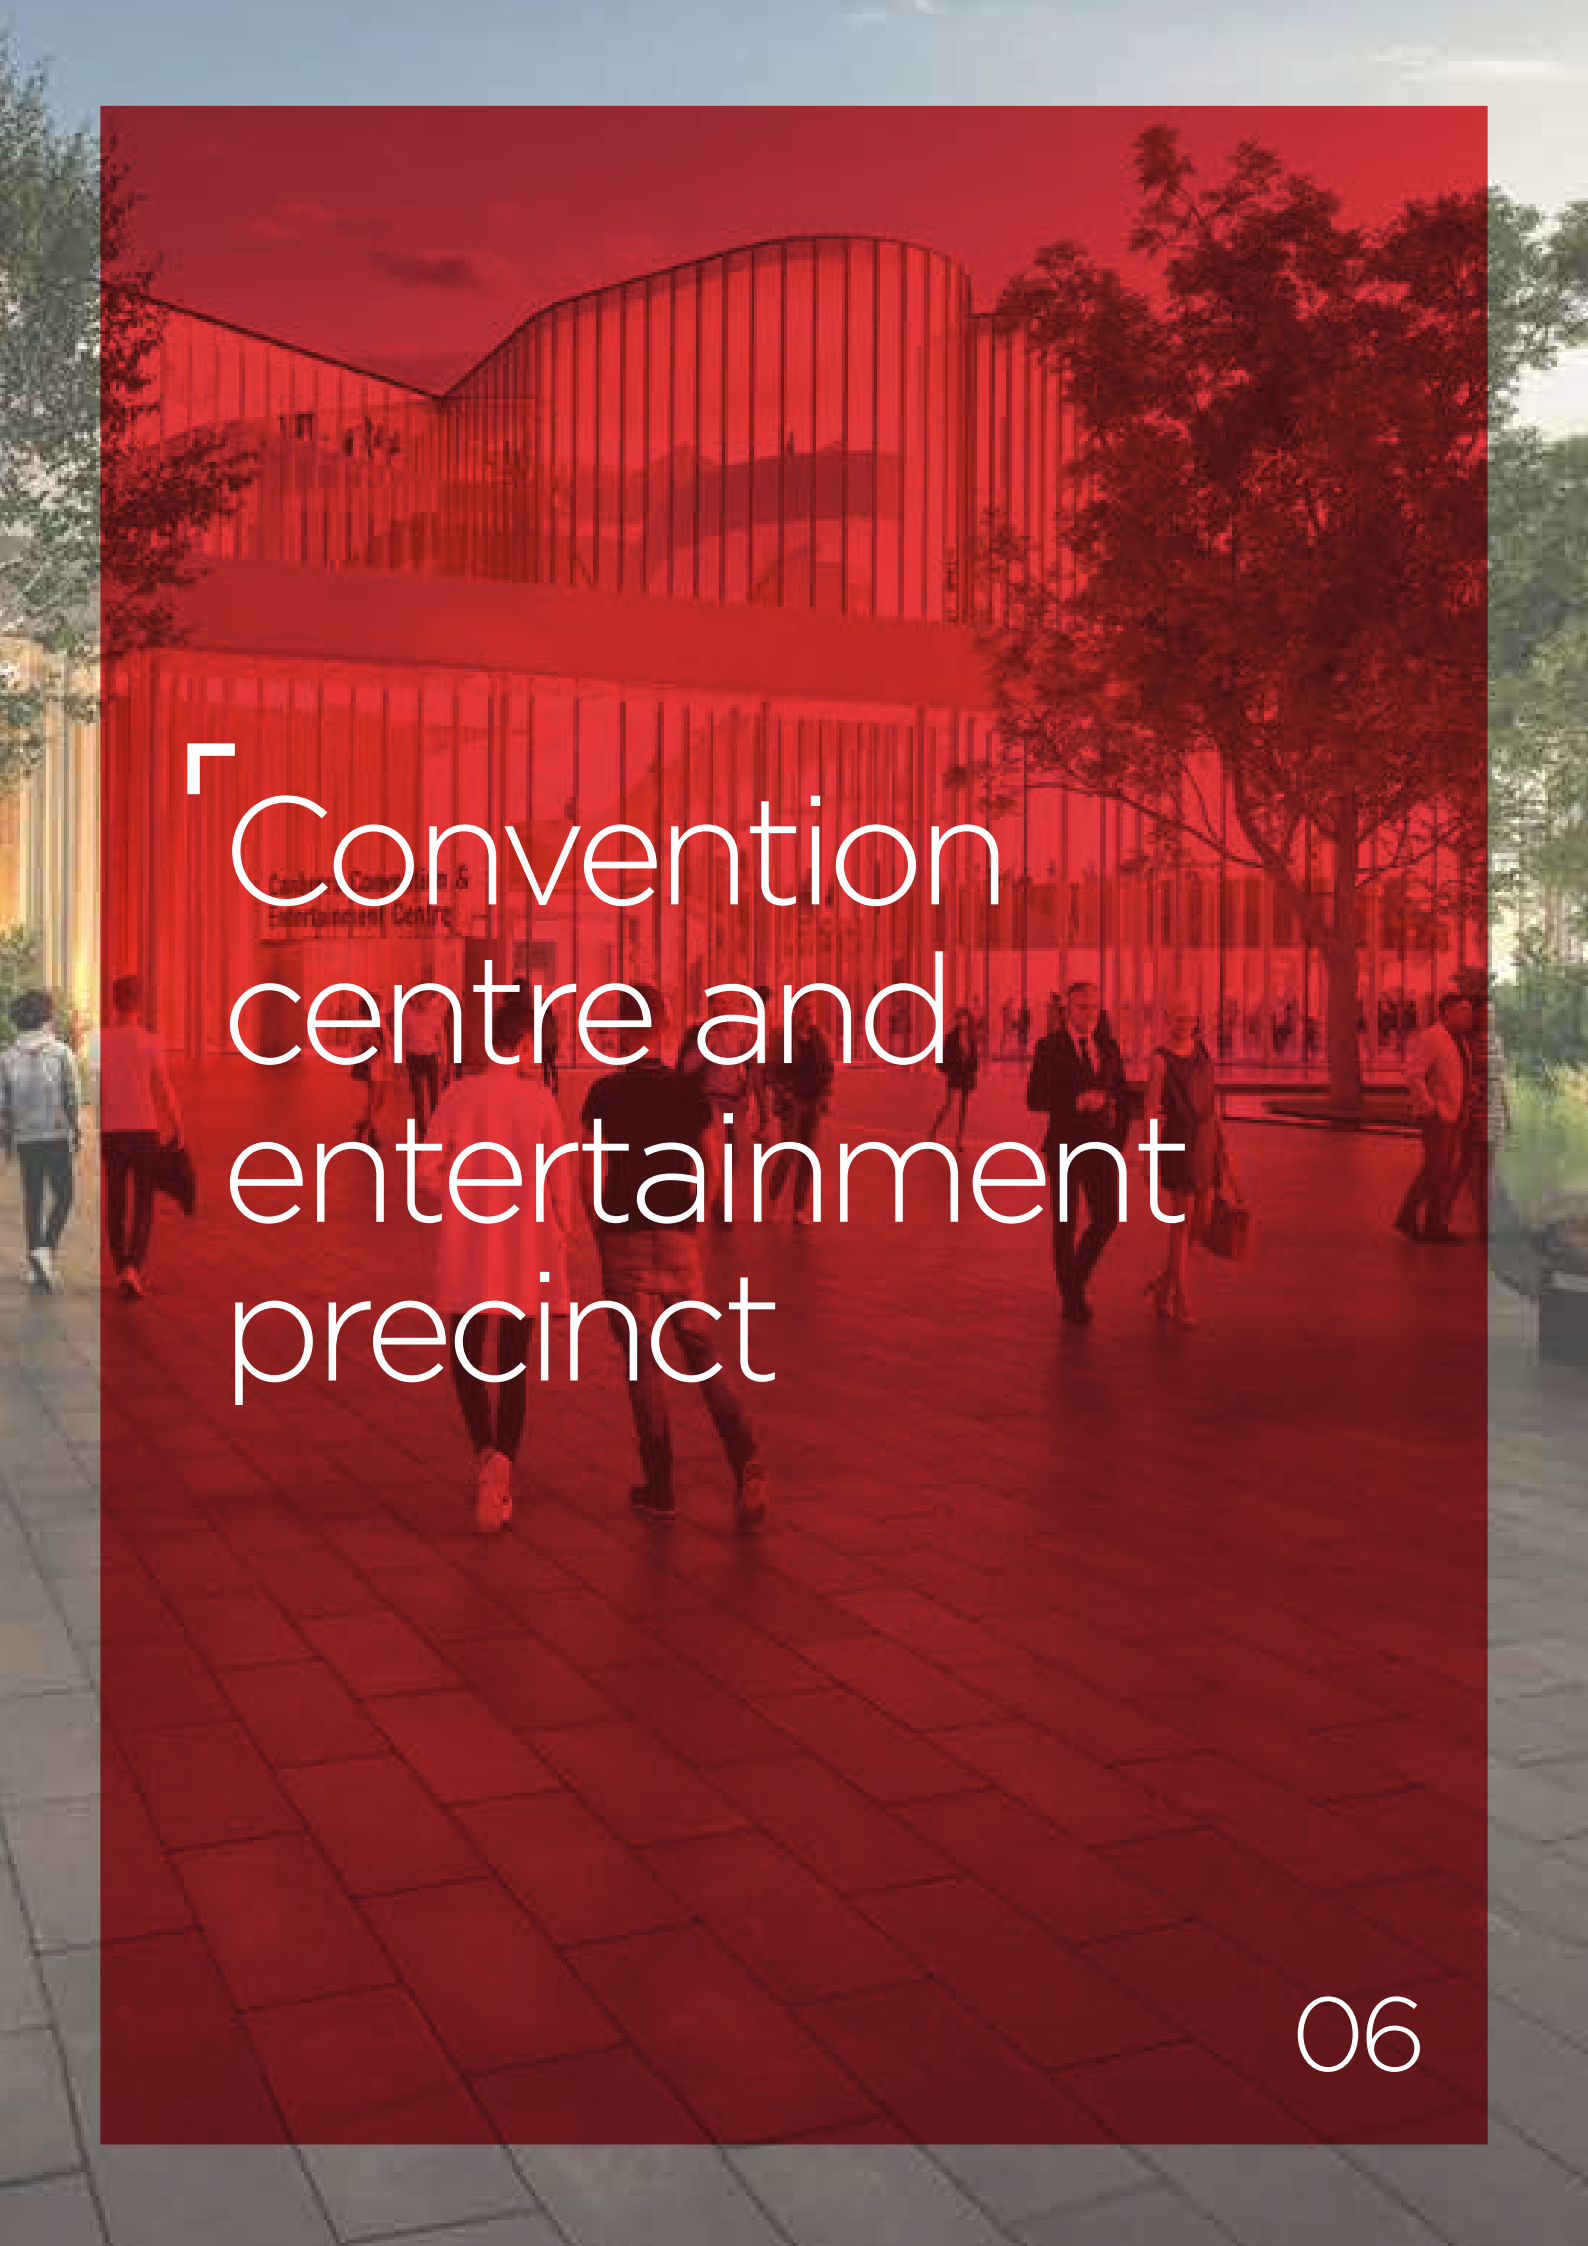

「New Canberra theatre

05

New Canberra theatre

Labor is delivering a new 2,000 seat Canberra Lyric Theatre as the first stage of the Canberra Theatre Centre transformation. The new theatre will attract major productions including musicals, circus shows, ballet and opera performances. It will be a key destination in our city for Canberrans and visitors.

「Convention centre and entertainment precinct

Convention centre and entertainment precinct

Labor will further progress detailed design and precinct planning for the convention and entertainment precinct. The 8,000 seat entertainment centre will firmly place Canberra on the live music touring map and provide a venue for major indoor sporting events like basketball, netball and tennis.

Acton fire station and new City police station

A re-elected Labor Government will also continue to build the new Acton fire station and we'll work with ACT Police on a new city police station.

An architectural rendering of a modern, multi-story building with a curved facade and a grid-like window pattern. The building is partially obscured by a large, semi-transparent red rectangular overlay. The UNSW Canberra logo is visible on the building's facade. In the foreground, there are silhouettes of trees and people walking on a sidewalk. The sky is blue with some clouds.

New UNSW Campus

07

New UNSW Campus

Labor will continue to partner with the University of New South Wales to deliver a new campus at the old CIT site in Reid. This will bring a major university to our city as part of a new education, residential and commercial precinct. It will cement Canberra's position as the education capital of Australia.
